OFFICE OF PERSONNEL MEMORANDUM NO. 20-31-9

SUBJECT: Advanced Pay Rates for Certain Positions

1. Under authority of Section 504 of the Federal Salary Reform Act of 1962 and Executive Order 11073, the Civil Service Commission has increased the minimum salary rates and rate schedule for positions in the Accounting Series, GS-510, at grades GS-05 through GS-09. The new rates have been adopted by the Agency in conformance with its general adoption of the principles of the Classification Act of 1949 and amendments thereto. These rates and the position categories to which they are applicable are shown on the attached schedule.

2. The effective date of the new schedule is 5 June 1966. The schedule applies on a world-wide basis to all current employees. Employees appointed or promoted after the effective date to affected position categories will receive the rates appropriate under this schedule.

3. As of the effective date, a pay adjustment will be processed to increase the pay of each current employee who is occupying a position covered by this schedule. Each such employee will have his pay adjusted to the same numerical step of this schedule that he held on the regular schedule immediately prior to the effective date. These pay adjustments are not to be considered as equivalent increases for step increase purposes.

4. The following information will be required on all Forms 1152, Request for Personnel Action, which are prepared for employees in the occupational categories to which these special rates apply:

a. Under Item 5, Category of Employment, in addition to the prescribed category designation, insert (Accountant) in parentheses.

b. Under Item 14, Classification Schedule use "GSF" as the category designation.
